RFQ Ref	2120 - Business Resilience Diagnostic tool development and Training
Issue of Specification	<i>Wednesday 27th November 2019</i>
Closing date	Friday, 6 th December 2019 – 5pm

1. About us

- 1.1. The South East Midlands Local Enterprise Partnership (SEMLEP) has a central role in determining local economic priorities and securing investment to support business innovation and growth. To do this we link together the public and private sectors with academia to coordinate housing, transport, commercial development, energy infrastructure and raise workforce skills, in line with employers' needs, for the benefit of the wider economic area. We prioritise driving up productivity, creating jobs and promoting long-term, sustainable growth.
- 1.2. SEMLEP has three main roles in delivering strategic economic growth.
 - 1.2.1. Setting the strategic direction for the area's future economic opportunities, challenges and priorities.
 - 1.2.2. Direct intervention to increase growth. We are responsible for securing and overseeing the spend of two main sources of growth funding as well as coordinating business support through our Growth Hub
 - 1.2.3. Facilitating growth by convening partners to assist cross-boundary collaboration on short and long-term economic issues.

2. Background

- 2.1. Our aim is do as much as we can to support businesses through and beyond EU exit and ensure we have a robust and resilient business community where possible.
- 2.2. The primary key activities that have to be delivered include:
 - Reporting the specific issues that businesses report as barriers to being ready for EU exit, identify emerging issues/trends in respect of potential economic shocks.
 - Providing weekly reports on activities including business numbers engaged; events delivered, issues raised, issues resolved and issues to be escalated.

- Scaling up the number of businesses (particularly SMEs) engaged and cascading the business resilience.
- Signpost businesses to other sources of further information and support (local, national, public and private) where required.

3. Key requirements

3.1. SEMLEP would like to appoint an organisation to help develop a diagnostic tool to identify gaps in a business's resilience to upcoming challenges and help them to identify opportunities for diversification and resilience even during the current period of uncertainty. This will include:

- Developing a tool that can be deployed by our advisors during a 1 hour face to face session with a business. There are 6 advisors covering the SEMLEP area.
- Develop a shorter version that can be put onto our website that takes approx. 15 minutes to complete.
- Train our advisers on the use of the tool and the interpretation of the results.
- Help us to prepare communications that will attract businesses to take part in the resilience planning.
